WELCOME TO

HAWAII

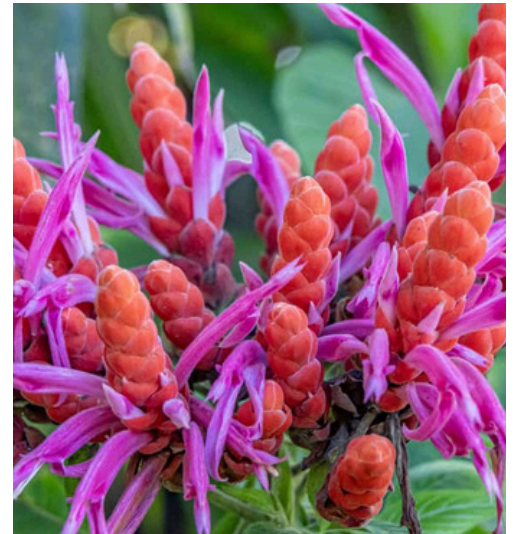

Upon arrival on the Big Island of Hawaii, you'll make your way to the stunning Hawaii Retreat Center, located amidst the island's lush tropical beauty. This serene sanctuary is approximately 45 minutes from Kona International Airport, offering a breathtaking journey through Hawaii's diverse landscapes.

The retreat center is nestled in a peaceful haven surrounded by vibrant flowers, tropical greenery, and the beautiful ocean. Just a short drive from some of Hawaii's most iconic beaches and cultural landmarks, it offers the perfect balance of tranquility and accessibility.

The view from the retreat is quintessential Hawaii: swaying palm trees, vibrant sunsets that light up the sky, and the soothing melodies of waves and native birdsong. It's the ideal setting to relax, recharge, and immerse yourself in the island's magical energy.

Our days will be a harmonious blend of teachings and experiential practices, focusing on the Divine Feminine and Masculine energies. Together, we will explore how these sacred aspects weave through our lives, bringing balance, empowerment, and connection. The retreat will be enriched with moments of sharing and introspection—both individually and in the supportive embrace of the group.

There will also be time for relaxation and exploration. We will be nourished with fresh, locally sourced vegetarian cuisine, lovingly crafted by the skilled cooks at the Retreat Center, ensuring that every meal supports your journey of renewal and transformation.
